THE DIVINE LIFE

The Pioneer Magazine of the Sixth Race

Whose Invisible Editor is the Conqueror on the white horse—the new Initiate in his solar body.

The Conqueror—to him I shall award to eat (the fruit) of the tree of life which is in the middle of the Garden of the God.

The award to the **Conqueror,** is the Eternal Memory: he shall eat the fruit of the tree of life (the fruitage of the life cycle) in the God's own abiding place, the mystical paradise or state of ineffable bliss.

The award to the **Conqueror** is conscious Immortality; he is to wear the crown of life, and nothing that originates in the soul-consciousness shall pass into the oblivion of the second death.

The Conqueror—to him I shall award to eat a share of the hidden manna and I shall award to him a white voting-pebble, and on the voting pebble (will be) a new name engraved, which no one knows but he who receives it.

The Conqueror—he shall be clothed in white garments, and I shall not at all erase his name from the book of life, but I shall acknowledge his name before my Father and before his Divinities.

The Conqueror shall not at all be punished by the second death. He who has an ear to hear, let him hear.

BEHOLD THE CHRIST WITHIN

The flame of intuitive knowledge, burns
Up ignorance, as fire burns moist wood.
When the mortal soul comes into the state
Where it can take knowledge, all doors open.
When it passes over the tangled path of delusion
And knows itself TO BE,
It will then attain to a disdain
Of what has been or shall be revealed
Hereafter; it finds all knowledge in the Self.
They are those who sit with him at the banquet
And drink of that Sacred nectar, and eat
Ambrosial food. Jesus in symbol
Spoke of this Sacred nectar as his blood
And the ambrosial food as his flesh.

THE COMING DEFEAT OF BOTH REPUBLICAN AND DEMOCRATIC PARTIES FORETOLD!

BY WHOM? I hear you breathlessly ask. By Harry E. Richeimer and his Higher Self. Quite a prediction coming from the meek Editor of little Divine Life. I thought you were not interested in politics, I hear some say. My reply is, No, I am not, but I am very much interested in my own Country, beautiful AMERICA, and in the perpetuation of her democratic institutions to the everlasting destruction of England and her International idea which she is fostering on to this Country trying to break the Spirit of the Republic and make us a great cog in this New Financial Trust of Nations, where we barter our Souls and the Souls of our children for Gold, Gold, Gold, and damnation to the everlasting grace and glory of Britannia and her allies abroad.

I had a gentleman remark to me today, "I thought you as the Editor of Divine Life was non-

partisan; I thought that Theosophy of which your Organ is the Organ of the Independent Theosophical Society of America was truly Spiritual. I didn't think you would jump all over England and call her materialistic when I find the America you so praise and applaud is the most materialistic country on the face of Mother Earth."

Here I wish to reply to my critics that the word Spiritual has been woefully and mercilessly misrepresented to the people. When a man fights for principle he is a spiritual fighter. He may not coincide with the views of this nation, or that nation, for his own ideal and the ideal for which he stands for is truly represented by the nation in which he lives. Notice, if you please, how these Englishmen making their homes here in America defend their own Mother Country. They tell us we have no great men, or, if at any rate, very few, none of whom compare with the great of England and abroad. I wish to reply that I have as much right to defend America on my own soil as these Johnny Bulls have in coming over here and enjoying the best America produces and yet prove themselves unfaithful to the Country and its Flag which supports and feeds them. I say it is about time we old time Americans sit down tight on this Anglo-Saxon move to destroy our American individuality, and instead of having English-Americans, Irish-Americans, German-Americans and Swedish-Americans, we had best get busy and place them all at once in a crucible that will resolve the foreign elements into packages for quick shipment to the land of their hearts where America and Americanism is not so distasteful to them.

I swear I am getting sick and tired of being as-

sailed on all sides by these fifty-fifty International luke-warm Americans and I think the next war America needs to wage is right here at home separating the dollar goats from the Spiritual sheep and I repeat deport the unworthy and ungrateful in wholesale lots to their promised land.

Now whenever a Presidential election is inaugurated the first move of the Wall Street Bankers who are for the most part foreign and International and who today have more to say as to who shall be our next President than the People themselves is to buy delegates right and left, using undue influence to make them hold to the Party sentiment with threats of non-support if they fail to do so. Every possible presidential candidate to the presidential plum is sounded out. First. Will you obey our mandates and those of the International Crowd is the first question asked? Second. Will you stand without hitching? Third. Will you sacrifice your Soul to be the next President? Fourth. Will you bow to the mighty influence which organized Religion exercise here in America? Fifth. Will you appoint the men we suggest for Cabinet positions and refuse to allow your own convictions in any matters of paramount national importance where our seasoned and experienced judgment of course is far superior to yours? If you will place your O. K. on the foregoing five qualifications for an American (?) President then our bought and paid for delegates will swing the plum into your lap.

Think of it, these very conditions exist here today in the Greatest Democracy on Earth, and the People, I repeat, the People who are supposed to be the Government and not the gambling lot on Wall Street who have grown so bold that they are

proud of the undue advantage they have taken of the People through the exercise of the almighty dollar and openly flout the will of the people through their subsidized English-controlled Press here in America.

But a New Order Has Arrived

What, you mean to tell us that you the Editor of DIVINE LIFE MAGAZINE have something up your sleeve that even the mighty forces of the pulpit, the press, banking and civic groups have not yet apprehended? Yes. I want to tell the whole world that so far as I am concerned I am thru with the Republican party of which I have been a voter for years and now openly predict, advocate, support and defend a return to American Principles and the total destruction of both old line political parties that have grown too rotten, corrupt and unprincipled to any more misrepresent us in our halls of Congress, the Senate, and lastly the Great Presidential Chair!

Then whom pray tell would you have succeed this Foreign-controlled political nonentity who today has made such a sorry mess of things, failing even in upholding what little honor he had when he first assumed control. I will reply, an American Citizen who will upset the present order from the National Banking System and the False Federal Reserve System to the order that now makes Internationalism the word of the hour in all American newspapers. Further all Foreigners who control American newspaper stock would have to get out and our American Press cleaned of all un-American propaganda. I would see that the Churches stop their Foreign propaganda at making America International and advocate the closing of all Schools

other than our own American Public Schools which are the hot-beds at propagating foreignism to the everlasting detriment of American principles and American ideals. I would see that every man, woman and child was taken care of by the Government and instead of shipping out gold for foreign consumption alone I should put a halt at destroying America to rehabilitate Europe.

Then you are for America alone I hear some say and care naught for your Brothers abroad? I thought you were the true idealist who advocated Universal Brotherhood, a love for your fellow-man and a return to Spiritual things? Listen. I want to make this one thing clear. A man who loves the principles of Democracy represented by our pure American Government founded by the Forefathers no matter if he resides in England, Germany or Japan is just as much an American as he who resides here in these United States and calls himself a native born son. Therefore, I maintain we have an America on this Great Planet that is bounded by East and West, North and South and the time is not far off when the New President of these glorious United States will proclaim THE WHOLE WORLD AMERICA, bring the sheep home into the Father's house, for as America goes so goes the Whole World ! ! Then you shall see the Crowned Heads fall in unison and the Man on the Tibre give up the Holy Ghost, for the end of such things have come to pass, for THE NEW ORDER OF THE AGES the death of autocracy and ecclesiasticism are the movements which will now eliminate foreign-controlled Presidents from ever giving any more life to the Republican or Democratic parties.

A New Party, THE INDEPENDENT PEOPLE'S PARTY OF AMERICA is now born. Make way for the funeral cortege of Republicans and Democrats forevermore for their time has come to an interminable ending.

—Harry E. Richeimer.

OUR FALSE GOVERNMENT

THE Immortal Declaration of Independence clearly says: "When the Government of America becomes destructive of these rights, i.e., life, liberty and the pursuit of happiness, the People shall have the right to alter it." Today our lives are in constant danger, our Liberty has become a farce, through the Banking groups, gamblers, thieves and unholy political alliances, and our happiness is a mockery and a by-word. Our foreign and corrupt President together with Croesus Mellon who is playing the interests of the People into his own pocket for personal gain, and the unprincipled Senate and House of Congress and Representatives who act in blocks and groups to give the People the impression that there is at least some division of opinion among them, when in reality they only function as **one body** for their own mutual interests, constitutes our false Government today, with the People in the background who are obliged to pay taxes and surcharges while this Foreign Body working secretly in conjunction with the rest of the imperialistic nations of the whole World for the subjugation of Democracy and the enthronement of Kings, Queens and Royal Potentates and to the everlasting glory of the Reign of Gold in contradistinction to the Reign of Freedom, Liberty and

Righteousness which are the outstanding Spiritual principles of this American Government.

The first cry is "Keep Religion out of Politics. Keep Spiritual matters separate from material matters. Keep the Divine Life in the trend of the teaching of the Masters." Well the Holy Devils who today constitute the Religious group are as rotten, corrupt and thieving as the Banking and Political group themselves, so Religion and Politics need not be divorced from each other for they are today one in their honest endeavor to keep the People from thinking for themselves. Second, "Keep Spiritual matters separate from material matters." Another ballyhoo from the so-called Christian set who run and control the Nation today. Were the Christian Churches of America run on a Spiritual basis they would have no need of material aid from their materialistic brethren, they would exist solely through the strength and power of the Spirit. But do they? No, the financial story is interlinked with the story of the gospels. "Get the cash in the name of GOD and make Spiritual matters grow." That's the sentiment from the Salvation Army, which is a Salvation of dollars to the Protestant and Catholic, Y. M. C. A., Y. W. C. A., and the Catholic Welfare Societies to the non-sectarian Welfare Drives, Red Cross and local societies and groups who are all out chasing the dollar to help the poor and incidentally themselves. For without the poor to work on and through the Spiritual part would grow bankrupt through the disinterestedness shown after the dollar had disappeared. "Keep Divine Life in the trend of the teaching of the Masters." The Divine Life is Spiritual and the true Spiritual Standards are the only standards left for the Salvation and Redemp-

tion of the Whole World. They have tried politics, false religion, and fake charity to save America and the rest of the World but with such catastrophic results that even now the end of the World has arrived! I repeat

The End of the World Order Has Arrived!

And now for the downfall of the present so-called American Government which is false to the core and the enthronement of Justice, Liberty and Freedom throughout not only this Country but throughout THE WHOLE AMERICAN WORLD which has just come to birth through travail and sorrow brought about by our un-American Government trying to defeat the Rights of Man and the undying heritage of the People.

See the Handwriting on the Wall

Both old line political parties junked in 1932; A REVOLUTION in every Country on this Planet; The Pope of Rome forced to close the Vatican; Millions of Church People without an edifice to cover their heads; A NEW PRESIDENT of this **World Republic** which will end rotten politics and a Religion that has lost its name because it has lost its savor.

And now I hear you ask "Who gives you authority to make such broad and sweeping statements. The Masters?" No. The Spirit or Higher Self within me who has now come to birth in me and others and you shall see a house-cleaning of this old World of ours that will make the Catholic purgatory look mild when it begins.

How are we to know the false ones from the honest ones? How are we to separate the true American Democratic ones from the foreign-autocratic ones? How are we to separate the sheep from the

goats? Never fear. The sheep and the goats will separate themselves in the terrific struggle which is now about to take place here in America and the Roman Catholic police force will be the first army to subdue to be followed by a foreign army imported to put down the rights of the People to alter this False Government but will prove of no avail. For Spirit has come to birth in some one individual and I defy all the powers of the Jesuits to stop this NEW ORDER OF THE AGES from functioning.

THE AMERICAN REVOLUTION!

I PREDICTED a new Revolution here in America over three years ago and my prediction is well nigh coming to frutition. I do not think any of my forbears will object to my making this declaration for only in times of stress, disappointment and rotten political years do the People clamor for justice and freedom from tyrannical powers that seem to have enveloped the Globe and now claim the Souls of Men as the grand prize for their years of endeavor at subjugating the Planet!

Who are the men who are to lead this New Revolution here in America? Those who are at present eating of the fat of the land and lying on beds of ease and comfort? No. Those only who today are suffering the pangs of hunger and made to lie down with the dogs in the street are the real men who will take it upon themselves to deliver America from the fat rich foes who travel on International free tickets issued by our so-called American Government and who style themselves Internationalists with a modicum of Americanism running through their veins.

I think it is about time the present old time political parties were waking up to their immediate funeral and getting their Souls ready for purgatory in Hell. For we Americans intend to turn the whole present established order into a modern mad-house so that these Anglo-Saxon Souls will feel what it is to go through the fire of re-construction that will test their Americanism to the core to find out if they are truly indeed ready to stand the strain and test of an Immortal Bedlam that separates the gold from the Spirit and leaves all foreign elements in their natures resolved to dross for the Egyptian monster to consume.

I know you think I am talking strongly. Would any 100% American act differently than I act at this present moment? I know it takes tons of resistance, tons of insults and infamy, tons of rottenness and corruption, tons of Foreignism and Internationalism, tons of threats, abuses, robberies, killings and maimings before the Old Bald Eagle in the 100% American will began to scream. But, Oh GOD, when he does begin to scream it is the Sign of the Times that Spirit now comes to the fore and has its day for the destruction of evil doers for the re-establishment of piety and justice throughout the Land!

Treason, I hear you say. Down with this firebrand, this agitator, this Communist and Bolshevik, this impudent Radical. Throw him out, deport him, scotch him, yea kill him. We want none of his kind here in our peaceful America to interfere with the present established order when bankers and business men are lying on their beds of ease contemplating the near day when they shall rule the Planet through the victory of Gold over Souls,

of Matter over Spirit. This I say is the sentiment today here in America where Wealth and rotten Religion have joined hands to subjugate the Souls of Men under the false banner of enlightened Civilization! I want none of their kind in my categorical index of Americanism. I tell you a NEW ORDER is coming out of this damnable depression brought about by the muddle-headed materialists who call it the natural re-action after the War. A NEW ORDER I say is about to ensue that will before its entry turn America and the Whole World into a veritable furnace of re-construction.

I wish to fight for principle, but be damned if I'll fight for any more Wars instituted by Wall Street and the International Bankers aimed primarily at wrecking America to rehabilitate Europe. Mind me a New War is now being instigated by the Moneyed Powers that be to offset the American Revolution of the People in defense of their Constitutional Rights and God-given Principles, but this so-called New War against the Radicals and Reds of America is only another ruse of the Capitalistic class at subjugating the American working-man and forever bringing us under the Rule and Domination of Kings of Europe, and a Religious Potentate who resides at Rome who has more Gold in his vaults than the Devil's share of ill-gotten loot is recorded in the archives of Hell itself. But wait, the huge bubble is now about to burst for as America goes so goes the Whole World. And the American Revolution will settle matters long over-due to be settled by real Americans who have no International blood flowing through their veins.

OUR NEW NATIONALISM

God in Manifestation

WHEN I look back upon the History of the World and view in the archives of the past the traditional heroes, martyrs, saints, sages, saviours and masters I am beset with the visage of the manifestation of God in Man. What more beautiful tribute to the Deity Himself could be the denouement of an earthly body in the form of a George Washington an Abraham Lincoln a Buddha or a Christ. These are but pentagrams of our own existence spread out in multi-colored forms and given enlarged circumscription to our own little minds that were heretofore manifest in these great images, but now in the process of incarnation where we rather review, enjoy and witness our own historic actions of the past put into a panorama that gives us the Universal for a pedestal, our actions circumscribed to the revolutions of the Planet, and our minds in league with the God of the Ages.

I do not minimize our present day creation only that our very shadows are given a too lofty preeminence in order to acquaint us with the very original matrix or archetypal form within from which our great men of the past are created. We worship the created, we forget the creator.

Let us dwell especially on one exalted form which today means more to us than all other forms including Jesus, Buddha, Confucius or any of the ancient manifestations of the past. I mean George Washington the Father of our Beloved Country. For the latest manifestation of the Heavenly One gives us the strongest impression of the God within ourselves which has to do with the manifesting.

I see in George Washington the Call of the Republic, the martial spirit together with the Fatherly atmosphere attendant which ever gives birth to a Republic where the People are made to energize enjoy and inhabit the source of Liberty which gives them birth. I maintain that every Liberator of the George Washington type lives in the People of the Republic which he has brought to birth, or in other words, the People are but the manifestation of the fruits and works of their Creator and George Washington for this cycle of the American Republic is their life **within** giving the Republic semblance and form. We are all but George Washingtons in our earthly manifestation and the moment we equal him, become at one with him, in his glorious work of freeing the People of forms, superstitions and worship of Gods outside themselves, that moment we too become Fathers of the Republic to save, to redeem, to unite the Whole World in a United States of America, enlarging upon Washington's work as he enlarged upon the works of others of the past to liberate Humanity from earthly manifestation and make them all ONE in the God manifestation or de-manifestation of his earthly forms.

The Bicentennial Exposition is held attending Geo. Washington's birth but I venture to say not one of the intellectual orators from America's best colleges, Halls of Congress, or the Senate, not excluding our revered President himself will have vision enough to give unto the Father of the Country the lofty position due him and the credit accorded him with a God in manifestation in His People. His British ancestry will be stressed, his impromptu leanings toward the Mother Country, his contribution to the military spirit of the times,

his association with the Colonies in the manner of a martial hero and saviour but his true stature will be entirely forgotten by men who are not themselves equal to the presentation of honor and glory due Washington in his role of SPIRITUAL CREATOR OF THE REPUBLIC and the glory of the invisible deathless Being who today animates our course of action in our Nationalism where our identity with him in freeing the oppressed from foreign bonds and habiliments are made manifest and our American individuality given precedence over all fleshly relationships which will be over drawn and over emphasized by men who simply do not know and who are not capable of portraying the man in his true American light for the simple reason that the portrayers have lost the vision in their recent efforts of becoming International.

Today there lives in the hearts of Man an enlarged George Washington who now has risen in height and in glory enough so as to free not only America but the whole World of earthly form and earthly manifestation. The enlarged form or Spirit is the liberating influence that will save us from the satanic motives of Europe which today stands ready to engulf us in foreign leagues and entanglements. This liberating Spiritual influence of George Washington's, like leaven which has leavened the whole lump shall rise in the hearts of the People to throw off forevermore the lower forms and superstitions of wealth and religion of class and spiritual preferment and bring us to a realization of our true inner God selves, forever AMERICANS the highest type of God manifestation here on Earth. I aver a NEW ORDER OF THE AGES is now born and with the Bicentennial Exposition held in honor of George

Washington's birth will arise that NEW BIRTH OF FREEDOM guiding the Republic into hitherto unknown channels where the People, I say, the People at last find their expression in governing themselves so that they can at last **think for themselves** in the task set before them of liberating the Whole World of past superstitions and dead forms of Religion that has all but destroyed the Soul of this Glorious American Republic.

Today I am confronted with a New Vision, a New Vision arisen from sacrifice and sorrow of seeking to give it. The next President of these United States will encounter the opposition of the combined forces of Wealth and Religion to destroy this American Republic, for if they are to live on the Republic must be once and for all time scotched and killed. No compromise is now at all possible. So the next President must have inherited enough of the God presence within to emulate George Washington in setting up a WORLD REPUBLIC inviting every nation to join, not in the spirit of their separate selves, but in the Spirit of AMERICANISM, which means the downfall of all classes, of Wealth, Religion, Kings, Queens and Exalted Earthly Potentates and the American Spirit once again re-born in this New Soul and Saviour who has taken the mantle of George Washington on his shoulders to strike out again into the night for more Light on the tessellated floor of the Lodge giving us new landmarks for Freedom and Liberation!

BEHOLD THE CHRIST WITHIN

By CELESTIA ROOT LANG

CHAPTER THE NINTH

Alindah.

What sayst thou of Theosophy, Great One?

The Blessed One.

The Wisdom Religion was withdrawn,
The shepherd smitten, the sheep scattered, lest
It should become a cult, the "letter" taught
In place of the inner meaning; twill appear
Again at the close of this century.

Alindah.

I want pure truth without being mixed
With my preconceived ideas of Truth.
All knowledge is seated in Thee, Great One;
Thou art the Master, the re-adjuster.
My soul waits for Thee, Lord of devotion,
Thy pleasure; to speak or to be silent.
What did Jesus mean by the worm that dieth not;
And the fire that is not quenched, Great One?

The Blessed One.

Desire, is born of the "passion" mode,
An unquenchable flame, it is desire
That causes the soul to re-incarnate;
The flame burneth till desire is quenched.
The lower self is the worm that dieth not.
Jesus said; "Thou shalt no more come out thence,
Till thou hast paid the uttermost fathing,"—
Of thy Karma; working out thy salvation.
Desire lives when the man has accumulated
Unto himself innumerable existences.
He who would enter upon the path of power
Must tear desire out of his heart; and then

The heart will bleed; the whole life of the man
Seems to be utterly dissolved; this ordeal
Must be endured; it may come at the first
Step of the perilous ladder which leads
To the Path of divine life, it may not come
Until the last; it has to be endured; fix
The energies of thy soul upon the task.
Live not in the present nor the future, but,
In the eternal; desire can not flourish there..
Alindah.
Jesus asked them; "Whom say ye that I am"?
The Blessed One.
Peter, replying said: "Thou art the Christ."
Upon this rock I will build my church.
Stress has been laid upon Peter as the "rock"
Instead of the rock,—the Christ in Jesus.
Peter, is the rock on which is builded
The Church of St. Peter's at Rome and Mary
The mother of Jesus, is the corner stone.
Jesus, and the Christ, are left in the background.
"Call not any man your Master, for one
Is your Master, even the Christ," within you.
Alindah.
Again, "What think you of Christ, whose son was he?
They say unto him, "The son of David."
How then, doth David, in spirit, call him Lord?
If David called him Lord, how is he his son?
The Blessed One.
The "Christ" has always been in the world: called
By different names in other nations.
The "Christ" is only an appellation for, That,
Which is nameless and incomprehensible.

Chapter the Ninth: The Christ, is the Rock upon which the Church is to be Builded, and not Peter.

Dear Mr. Richeimer:

Your letter came last Thursday. I agree lots went on between Dr. Anna Kingsford and Edward Maitland and I do not think their books nor the things they left behind them come up to Jacob Boheme's works. I think Kingsford and Maitland and H. P. B. were caught in the whirl of psychism that came in at that time. They all came forth, including the Fox sisters, at that time only each one writes a bit different, but Jacob Boehme takes you into that ones with God and the Higher Self, explains all things to oneself without the aid of anyone. We have all been taught to depend upon some one else. I don't like that, I like to do my own thinking and not be a parrot all the time, use my own head. When you get through reading Boehme's books you are not exhausted, nor your head in a whirl, nor seeing things in the room, God does not work that way.

Sometimes I think Maitland and Dr. Kingsford read Boehme's work and wrote the "Perfect Way." He had one book, "The Christ's Way" have never read it. I will admit we are all one in Spirit but express ourselves differently. Jacob Boehme understood the Spiritual laws, his family I don't think understood him so to me we do not need the help for doing our work spiritually from one another, always far ahead of one another right in families and the race. I would never allow anyone to send me out of my body nor do I think mystic writers need to do that. It weakens the body even on the physical plane when some one stands over you. One can't think and become a mere puppet. Dr. Kingsford brought that with her from the Roman Church. I like people like Boehme, Russell and many others

that are here and will come that can stand alone hitched to nothing but God. To me you can then say: "Where with thy Liberty of Christ Jesus I stand," there will always be the few that can stand alone knowing their oneness with God, the rest will have to learn by hard knocks but woe unto the teachers that teach wrong.

Judge Rutherford lectured this morning over the radio, certainly whipped Christian Science. Told them they all worshipped God to cure their physical ills and forgot their Souls and died the worst deaths in the body. They never say, "Thy will be done O Lord, not mine, nor soften the hardness of my heart, nor overcome their animal desires. And Unity worships the money-bag. Sometimes I think of them as Judas, all looking for money and begging off the other fellow. Their followers some of them have almost starved to death with the depression and still tell themselves I am God and spend money on their desires. How much the World needs the real Christian teaching and get back to a saner living and not drunk with such insane ideas and calling it God's law. How can People deceive themselves by looking holes in the wall and controlling other people's minds for money like Unity students have been taught. So many of them I know came out of the Roman Church with no change of heart, out of the mouth blow the issues of the heart. They don't know what change means from physical to spiritual or that different tests are good for them. They tell themselves I am God nothing can come nigh me. I told one woman Unity student you attract plenty to you and the most devilish things how can you sit and not see you have upset the law. They all run to psychic meetings. —A Lady Subscriber.
